REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose, in a method of thread rolling using thread rolling dies for manufacturing a bolt, wherein at least one of the thread rolling dies has a coarse thread formed by developing a coarse screw and projections of a fine thread cyclically on a root portion of the coarse thread at selected turns of the coarse thread according to a phase shift from the coarse thread when a fine screw having a helical line in a direction of the coarse screw and a pitch smaller than that of the coarse screw is developed so that its root lies in a position higher than a root of the coarse thread, the ratio between the pitches of the coarse and fine screw being in a minimum integer ratio .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
